

**The board of directors' of Copperstone Resources AB (publ) proposal on resolution on authorisation for the board of directors to resolve on new issue (item 11)**

The board of directors of Copperstone Resources AB (publ), reg. no. 556704-4168 (the “**Company**”), proposes that the general meeting resolves to authorise the board of directors to, for the period until the next annual general meeting, at one or several occasions, with or without deviation from the shareholders’ preferential rights, against payment in cash or through set-off or in kind, or otherwise with conditions, resolve on an issue of new shares, convertibles or warrants. The total number of issued shares, or the number of shares that may be issued upon conversion of convertibles or through exercise of warrants, may not exceed 20 per cent of the registered number of shares in the Company at the time of the general meeting’s resolution. The number of shares which may be issued upon conversion of convertibles or through exercise of warrants refers to the number of shares before potential recalculation. The purpose of the authorisation, and the reason for the possibility to deviate from the shareholders’ preferential rights, is to enable the Company to, in a prompt and cost-effective manner, procure capital, carry out acquisitions or make use of other strategic opportunities. The value transferred to the Company through issues by virtue of the authorisation, shall be made on market terms and may include a market-based issue discount.

The board of directors, or the person appointed by the board of directors, shall have the right to make such minor amendments to this resolution that may be necessary in connection with registration with the Swedish Companies Registration Office.

The resolution by the meeting, in accordance with the board of directors’ proposal, requires the support of shareholders representing at least two thirds of both the votes cast and the shares represented at the general meeting.
